Extra Sessions

Bachelorette Parties- Don't forget your girls getaway or weekend! choose from a variety of packages to still leave some things just between the girls!

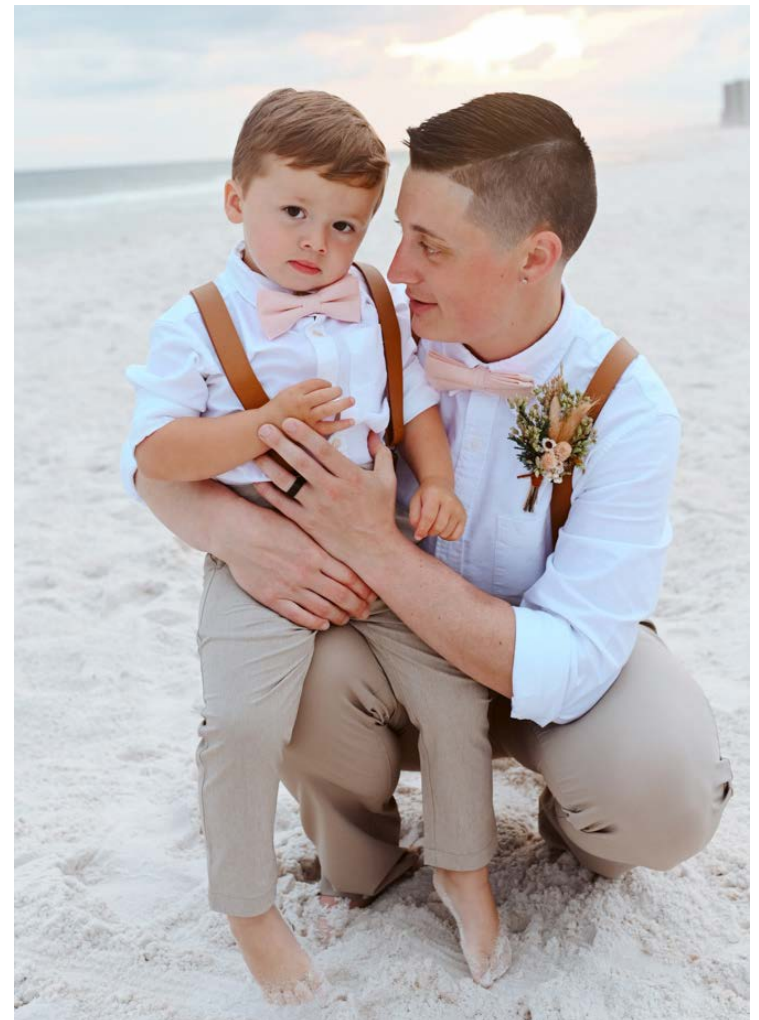

Boudoir session- a popular trend among brides as a wedding day gift to the groom! I offer these sessions too, so don't hesitate to ask!

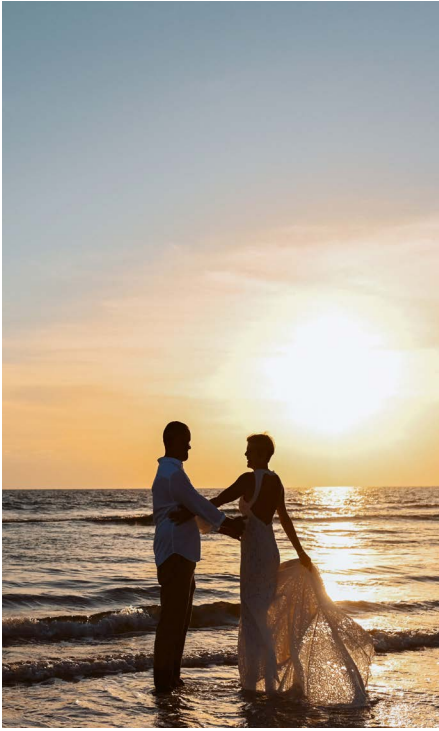

Couples Boudoir- Now that you're married maybe the idea of couples boudoir seems more appealing. it's a great anniversary gift!

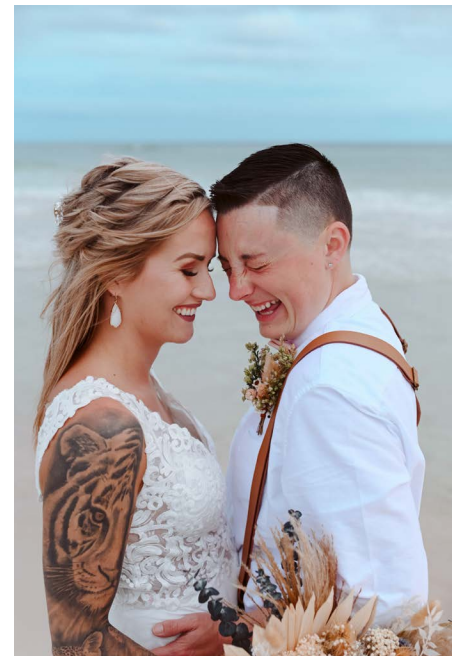

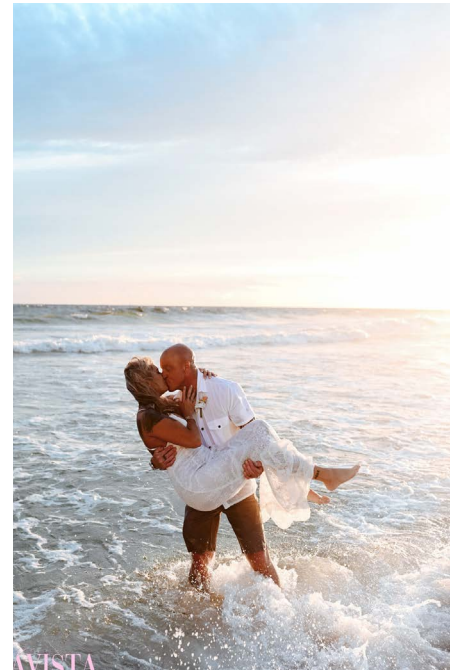

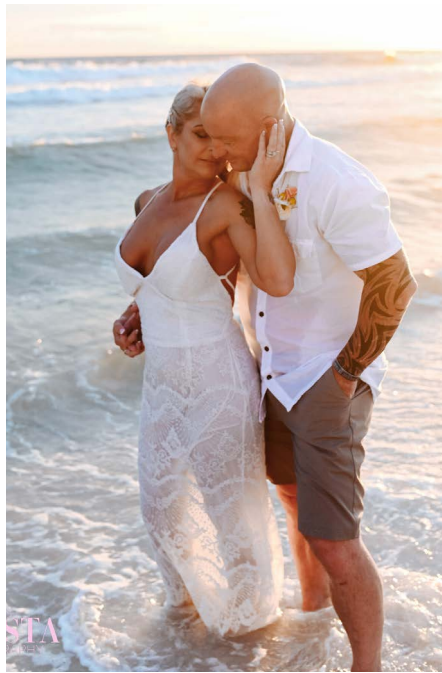

Day After Session- You may feel the need to get dressed up in that gorgeous gown again! a Day after session (and it doesn't have to be the next day!) is a great way to spend more time together and get more fabulous photos. Especially now that the dress has picked up some extra dust. so head to the beach or in a beautiful field and capture those intimate moments with your spouse!

Engagement Session- If your package doesn't include an engagement session, you can still add one on! I love working with you before the big day!
